

**Subject:** Emergency Requests in CJ and CV Case Numbers

District Judge Caroline Wall has asked the Tulsa County Bar Association to disseminate information on emergency requests in civil matters, on the CJ and CV dockets. This information was inadvertently omitted from yesterday's administrative order.

Please note as follows:

Emergency requests in a CJ or CV case number may be presented via email to Judge Caroline Wall, Chief Judge of the Civil Division. As provided by SCAD No. 2020-24 emergency requests shall be handled on a case by case basis by the assigned judge. Judges shall use remote participation via telephone, video conferencing or other means.
